FOR IMMEDIATE RELEASE

Ready Mix Inc. Announces Opening of New Las Vegas Plant

LAS VEGAS, NEVADA, November 3, 2005 . . . **READY MIX, INC. (RMI) (AMEX:RMX)** announced today the opening of a new batch plant site in Las Vegas. The new plant is located in the southwest metropolitan area near Blue Diamond Road and Rainbow. "This new plant location provides Ready Mix, Inc. with improved delivery capabilities in one of the fastest growing areas of the city," said Robert R. Morris, President. With this new plant on line, the Company said it will eventually phase out and relocate its Henderson plant to another new location. Earlier in 2005, the Company increased its mixer truck fleet in expectation of bringing this new plant on line.

About Ready Mix, Inc.

Ready Mix, Inc. (RMI) has provided ready-mix concrete products to the construction industry since 1997. RMI currently operates two ready-mix concrete plants in the metropolitan Phoenix area, three plants in the metropolitan Las Vegas area, and one plant in Moapa, Nevada. The Company also operates a sand and gravel crushing and screening facility in Moapa, which provides raw materials for its Las Vegas and Moapa concrete plants. In Phoenix and Las Vegas, RMI deploys a fleet of 146 mixer trucks to deliver its ready-mix concrete to customer job sites.

Forward-Looking Statements

The statements in this press release that are forward looking are based on current expectations and actual results or future events may differ materially. Such statements include, but are not limited to, the statement regarding the closing of the offering. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results of the Company or future events to differ materially from those expressed in or underlying such forward-looking statements, including without limitation: national and local economic, business, real estate and other market conditions; the competitive environment in which the Company operates; the execution of the Company's business plan; financing risks; acquisition and development risks; potential environmental and other liabilities; and other factors affecting the construction industry generally. For further discussion of the factors that could affect outcomes, please refer to the "Risk Factors" section of the prospectus.
